The screenshot displays the 'Test MIS Report' interface for Prime Hospital. The top navigation bar includes the 'HEALTHIXIO' logo, hospital name, location, financial year (FY: 2026-2027), and user profile (AS Atul Soni). A secondary navigation bar lists various hospital departments: Dashboard, OPD, IPD, Pathology, Pharmacy, ABHA/ABDM, Accounts, Reports, Management, Payroll, Utilities, and Other.

The main content area is titled 'Test MIS Report' and features a search filter section with 'From Date' (20/04/2026), 'To Date' (21/07/2026), and a 'Search Test Name' field. Below this, a 'Test Statistics' section for the period '20 Apr 2026 — 21 Jul 2026' shows a total of '3 tests'. A table lists the test details:

S.NO	LAB TEST NAME	OCCURRENCE COUNT
1	KIDNEY FUNCTION TEST KFT	3
2	LIVER FUNCTION TEST LFT	2
3	Cauglation Profile	1

The footer of the interface includes a 'QUICK ACCESS ACTIVE' status indicator, a copyright notice '© 2026 Healthixio Systems. All rights reserved.', and links for 'Support', 'Privacy', and 'Terms'.

Payroll & Attendance

- Manage staff attendance and payroll
- Process salaries in a few clicks
- HR and finance in one place

The screenshot displays the 'Staff / Payroll Management' interface of the Prime Hospital system. The top navigation bar includes the 'HEALTHIXIO' logo, hospital name 'Prime Hospital', location 'Nar Sadan, Lashkar, Gwalior', financial year 'FY: 2026-2027', and user profile 'AS Atul Soni'. A secondary navigation bar lists various hospital departments like Dashboard, OPD, IPD, Pathology, Pharmacy, ABHA/ABDM, Accounts, Reports, Management, Payroll, and Utilities. A left sidebar contains 'QUICK FAVORITES' such as Appointment, Admit Patient, ABHA Management, Fetch Records, Consent Records, Patient Walk-ins, and Patient List. The main content area features a search bar for staff, buttons for 'Add Staff' and 'Settings', and a table with staff details. The table has columns for SN, STAFF MEMBER, ROLE / DEPARTMENT, CONTACT INFO, MONTHLY SALARY, and OPERATIONS. One staff member, Ashish (ID: #0040), is listed as an Engineer with a monthly salary of ₹15,000.00. A 'Manage' button is present in the operations column. At the bottom, it shows 'Showing 1 to 1 of 1 entries' with pagination controls.

TPA Management

- Manage TPA and insurance claims
- Track cashless and sponsored cases
- Handle deductions, TDS & settlement

The screenshot displays the 'Sponsored Claims' section of the Prime Hospital management system. The interface includes a top navigation bar with various hospital modules and a left sidebar with 'QUICK FAVORITES'. The main content area shows a table of sponsored claims with columns for File ID, Patient, Sponsor, Plan, Sponsor Bill No, Status, Claim Amt, Received, TDS, and Action. Two claims are listed: one for Ritik (status: RECEIVED) and one for Amit Niranjana (status: PENDING). A search bar and pagination controls are also visible.

ABHA Creation

- Create and link ABHA health IDs
- Government ABDM-compliant
- Future-ready digital health records

The screenshot displays the 'Create ABHA' mobile application interface. At the top, a progress bar shows three steps: a person icon, a document icon, and a lock icon. The current step is 'Enter Aadhaar Details', indicated by a blue circle and a fingerprint icon. Below the title, a note states: 'An OTP will be sent to the mobile number linked with this Aadhaar.' The form contains two input fields: 'Aadhaar Number' with a placeholder '12-digit Aadhaar' and an eye icon, and 'Mobile Number (For ABHA Communication)' with a placeholder '10-digit mobile'. A small lock icon and text below the mobile number field state: 'Your Aadhaar is encrypted before transmission -- never stored.' Below the input fields is a 'Consent Language' section with a toggle switch set to 'EN'. Underneath, it says 'I hereby declare that:' followed by three checkboxes. The first checkbox is 'I am voluntarily sharing my Aadhaar Number / Virtual ID issued by the Unique Identification Authority of India ("UIDAI"), and my demographic information for the purpose of creating an Ayushman Bharat Health Account number ("ABHA number") and Ayushman Bharat Health Account address ("ABHA Address"). I authorize NHA to use my Aadhaar number / Virtual ID for performing Aadhaar based authentication with UIDAI as per the provisions of the Aadhaar (Targeted Delivery of Financial and other Subsidies, Benefits and Services) Act, 2016 for the aforesaid purpose. I understand that UIDAI will share my e-KYC details, or response of "Yes" with NHA upon successful authentication.' The second checkbox is 'I intend to create Ayushman Bharat Health Account Number ("ABHA number") and Ayushman Bharat Health Account address ("ABHA Address") using document other than Aadhaar. (Click here to proceed further)'. The third checkbox is checked and reads 'I consent to usage of my ABHA address and ABHA number for linking of my legacy (past) government health records and those which will be generated during this encounter.' At the bottom right, there are two buttons: 'Cancel' and 'Send OTP'.

Fetch Records (HIU)

- Fetch patient records via ABDM
- Consent-based, secure retrieval
- True interoperability (HIU)

The screenshot displays the Prime Hospital Health Information User (HIU) interface. The top navigation bar includes the Prime Hospital logo, location (Nai Sadak, Ladhikar, Gwalior), and a user profile (AS Atul Soni). The main menu on the left lists various hospital functions, with 'Fetch Records (H...)' highlighted. The central panel shows the 'Health Information User (HIU)' section, which allows users to request health records from other HIPs on the ABDM network. A search bar is provided for finding records by patient name, UHID, or ABHA address. Below the search bar, there are tabs for 'All', 'Requested', 'Granted', 'Revoked', 'Denied', and 'Expired'. The 'All' tab is selected, showing a table of 'HIU Consent Requests'.

PATIENT APP

Patient Home

- A clean home screen for the patient
- Quick access to records & appointments
- Their whole care journey in one app

Book Appointment (Patient)

- Patients book appointments themselves
- Pick doctor, date and slot online
- Fewer calls at your front desk

The screenshot shows the 'Book Appointment' interface of the Healthixio Patient App. At the top, the Healthixio logo is on the left and a back arrow icon is on the right. The title 'Book Appointment' is centered in a dark blue header. Below this, a doctor's profile for Dr. Deepak Gupta, Pediatric Anesthesiology, is displayed with a 'Change' button. The profile also shows 'Prime Hospital' and a fee of ₹700. The main section is titled '1 PATIENT INFORMATION' and contains several form fields: 'Select Patient Profile *' (a dropdown menu showing 'Ashish · PH/2026/07/110'), 'Patient Name *' (a text field with 'Ashish'), 'Contact Number *' (a text field with '+91 9522272781'), 'Gender *' (a dropdown menu with 'Male'), and 'Age *' (three numeric input fields, each containing '0'). At the bottom, there is a navigation bar with five icons and labels: Home, Records, Hospitals, Vitals, and Profile.

My Health Records

- All past records in one place
- Access anytime, anywhere

Lab Reports

- Lab reports delivered to the patient
- View and download instantly
- No more chasing paper reports

Log Vitals

- Patients record their own vitals
- Shared back with the treating doctor
- Better follow-up and monitoring

The screenshot shows the 'Update Vitals' screen in the Healthixio Patient App. The app has a dark blue header with the Healthixio logo and a share icon. The main content is divided into two sections: '1 SELECT PATIENT' and '2 VITALS READING'. In the 'SELECT PATIENT' section, there is a 'Patient Profile *' dropdown menu showing 'Ashish · PH/2026/07/110'. Below this is a patient card for 'Ashish' with the same ID and 'Male' gender. The 'VITALS READING' section contains input fields for 'Age' (placeholder 'Years'), 'Blood Pressure' (placeholder '120/80' with 'mmHg' unit), 'Blood Sugar' (placeholder '0' with 'mg/dL' unit), and 'Oxygen Level'. At the bottom is a navigation bar with icons for Home, Records, Hospitals, Vitals (active), and Profile.
